U.S. DISTRICT COURT
MIDDLE DISTRICT OF TN.

From: Alto Parnell

Dear Judge,

With this letter is a copy of the letter that I've sent to appointed counsel Isaiah S. Gant. I'm asking the court to make it part of the record, so that if counsel does the opposite of what I've authorized him to do; the record will reflect and be ripe for me to submit a motion to dismiss counsel and for this court to grant it. Furthermore, I respectfully ask you to take judicial notice that I'm willing to proceed pro-se if counsel tries to exclude or remise any of my grounds, issues or arguments that are already on the record from my memorandum of law in support of my §2255 motion. Enclosed is a S.A.S.E., for return of a stamped filed copy of these filed actions.

Date: 1-3-2019

Respectfully Submitted,

LETTER OF ROGATORY

Mr. Gant,

I've tried to call you at your office several times on the days you've suggested me to call with no avail; December 26th, 27th and 28th of 2018. Either I get no answer or the secretary tells me that your not available at the moment. It's my understanding that the amended petition shall be filed by January 14th, 2019. If it's better for you to correspond with me via email I can add your email address to corrlincs, but let me know soon as possible.

I Alto Parnell, as principle instruct and appoint you, Isaiah S. Gant as my fiduciary trustee; in case # 3:18-cv-00987. As petitioner, I've appointed Isaiah S. Gant fiduciary to act for the benefit of petitioner on all matters within the scope of our legal relationship. Isaiah S. Gant owes to petitioner the duties of good faith, trust, due care, loyalty, disclosure and candor. I object to you disregarding or excluding ANY of the issues I've raised on the record. The judge ordered you to file an amended petition. Amend means to change for the better or improve. If you believe you can add arguments and your skill and knowledge to strengthen said issues; I'm willing to consider and review the such. If your not comfortable with representing me on the issues already on the record, I suggest you promptly let me know so that I may proceed pro-se.

Page 1.)

Included is a motion to add supplemental authority and the supplemental authority within, I respectfully ask you to file said motion timely. The supplemental authority is helpful to Ground 2 and Issue 5 of my memorandum in support of my §2255. In particular, United States v. Elder, 900 F.3d 491 (7th Cir. 2018). It was argued May 22nd, 2018 and decided August 15th, 2018 and it substantially corresponds to the arguments therein. I also need a copy of case docket #(s) 1487 and 1440 from the original crim. case #3:11-cr-00012. I need those two transcripts for my files and also to review. Thanks for your time and understanding of these pertinent actions.

Respectfully Submitted,
